Appearing Before the Board

The Board has set a high threshold for approval when considering an application for a General Contractor's Certificate of Competency. When submitting your application, we recommend you request to appear before the Board so you may answer any questions about your application. This will help expedite your application. The Board highly recommends that, if possible, you ask a county or state certified General Contractor to accompany you to the meeting in order to speak to your prior practical construction experience and how it qualifies you to take the exam.

Affidavits

Please advise anyone preparing an affidavit that they may be contacted by Broward County to verify information provided. Affidavits must be submitted to substantiate the required experience. Affidavits must be completed by your present or former licensed contractor employer.

Types of affidavits accepted:

- One notarized affidavit from a State of Florida or Broward County licensed contractor of equal or higher category of license than the one for which you are applying for: or
- One notarized letter from a licensed architect or engineer verifying required experience for the specific type of work performed: or
- Three notarized affidavits from out-of-state licensed contractors, with license numbers included, verifying the required experience for the specific type of work performed.

References

Please provide at least three credit references as follows:

- At least one from a local financial institution stating your accounts are in good standing.
- Two letters from supply houses or other similar business entities you have done business with.

All letters of reference should be **notarized**, include a contact number and, if applicable, a certificate of competency number. Providing more than the minimum number of required letters of reference will only **enhance** your application. The Board may or may not consider, at its discretion, letters of reference from homeowners you have performed work for.

Personal Credit Report

The Board highly recommends that you pull your credit report just prior to submitting your application. This will ensure the Board is presented with the most current information pertaining to your credit history. However, reports dated within 12 months or less may be used. If your report is over 90 days old, it must be accompanied by a notarized affidavit stating no material change has occurred since its preparation and that it substantially represents your current financial condition.

Your personal credit report must include your credit score. If the credit score is less than **550**, you will have to appear before the Board to explain any area(s) of concern.

Business Credit Report

If you already have an active corporation, you should also provide a credit report for your business – also including the credit score.

Personal Financial Statement

If you have a personal financial statement, please include it with your application. If you do not, please include copies of your most recent bank statements.

Corporate Financial Statement

If you already have an active corporation, please provide a comprehensive financial statement – notarized by your accountant. The financial statement should not be over 180 days old. If over 90 days old, it needs to be accompanied by a notarized affidavit stating that no material change has occurred since its preparation and that it substantially represents your current financial condition and the business organization.

Project List

The Board highly recommends inclusion of a project list for those applying for a Class “A” or Class “B” contractor license. The project list should include construction projects worked on during the required period of experience.

Fictitious Corporate Name

If the firm is not incorporated but is operating under a **trade name** – other than your proper name – the company must conform to Florida Statute 865.09 and must be properly registered with the Florida Division of Corporations.
