BPAC Priorities: Encourage projects and enforcement efforts that prioritize pedestrian and bicycle safety. ● Support timely and sustainable funding of bicycle and pedestrian infrastructure and amenities, including greenways and off-network paths. ● Collaborate with public and private entities including, Broward MPO, FDOT, Broward County, and Broward municipalities to ensure Bicycle and Pedestrian projects, policy, and ordinances are implemented. ● Promote bicycle and pedestrian focused outreach and events, especially those that underscore safety, funding, and education. ● Endorse linkages for safe, comfortable, and convenient bicycle and pedestrian networks to seamlessly integrate with other transportation options.
