

GALT MILE and LAUDERDALE-BY-THE-SEA

Alternative Transportation Options

The City of Fort Lauderdale City Commission held a public hearing on November 21, 2017 and approved the temporary suspension of the Sun Trolley Galt Link route to be effective on December 1, 2017 through May 30, 2019. During the 18-month suspension period, City staff will work with the Florida Department of Transportation (FDOT), the Transportation Management Association (TMA), Broward County Transit (BCT), and our neighbors to study system adjustments to reach key destinations and increase efficiencies to better meet passenger needs. Technical assistance is being provided by FDOT to complete a system-wide efficiency study that will include the Galt Link. We need the input of our neighbors to help plan the future route. Recommendations will be presented to the City Commission for approval at a later date. In the meantime, the last day of Galt Link service before the temporary suspension is Wednesday, November 30, 2017.
