**Small Business Development Advisory Board Mission**

The Broward County Board of County Commissioners established the Small Business Development Advisory Board in August 2001. The purpose of the Small Business Development Advisory Board is as follows:

- Identify and evaluate issues distinctive to Broward County businesses.
- Provide recommendations to the Board of County Commissioners and other government officials concerning enhancements to the County’s procurement activities and practices.
- Enhance communication with, increase opportunities for, improve the economic viability of, and enrich the overall business climate for Small and Disadvantaged Business Enterprises within Broward County.
- Promote, to the greatest extent possible, the participation and use of Broward County businesses in the procurement activities of Broward County government with respect to the purchase of a variety of government services including construction, architectural/engineering services, commodities, professional services, and business
