

Climate Change Planning Workshop

Thursday, June 27

1:00 pm – 5:00 pm

Location: Long Key Natural Area & Nature Center, Oak Hammock Hall
3501 S.W. 130th Ave. Davie, FL 33330 [Map and Directions](#)

Co-hosted by Broward County Planning and Redevelopment Division, Broward County Natural Resources Planning and Management Division, Broward County Planning Council, and the Broward Chapter of the American Planning Association

Objective: Share the new Broward County Climate Change Element with local planners and discuss opportunities for its use as a template for incorporating the economic, environmental, and social aspects of climate change into comprehensive, capital improvement, and other critical planning processes at the municipal level.

AGENDA

- 1:00 Check in and Networking
