EMPLOYEE RIGHTS

The County and the Federation agree that the basic intent of this Agreement is to provide a harmonious working relationship between the County and the Federation. The County and the Federation agree that all provisions of this Agreement shall be applied to all employees covered by it and that the County and the Federation affirm their joint opposition to any discriminatory practices in connection with employment, promotion or training, remembering that the public law and public interest require no discrimination on account of race, color, creed, handicap, national origin, age or sex.

Employees shall have the right to join the Federation to engage in lawful concerted activities for the purpose of collective bargaining, to express and communicate any view, grievance, complaint or opinion relative to conditions or compensation of public employment or its betterment, all free of any restraint, coercion, intimidation or reprisal against any employee because of that employee's membership or lack of membership in the Federation or by virtue of any employee-member holding office in the Federation. Disciplinary notices or documentation of disciplinary action in any employee's file for which there have been no recurrence of the same or similar nature in twenty (20) months shall be void and without effect in that they will not be used to support further disciplinary action, except in the case where an employee has received a last chance warning and less severe disciplinary action in lieu of termination. In these instances, the above time-frame language will not apply and the applicable time-frame shall be specified within the last chance warning.

ARTICLE 3

MANAGEMENT RIGHTS

It is understood that the County has the right to operate the department and divisions of Port Everglades and this Agreement shall not be construed to limit in any way the right of the County to manage and operate its business.

In order to fulfill this commitment and responsibility, management shall have the right, subject to the terms and conditions of this agreement, to:

1. Hire, promote and evaluate employees.
2. Discipline, demote, suspend or discharge employees for just cause.
3. Determine unilaterally the purpose of each department, division or operation.
4. Determine what reasonable work activities are performed.
5. Exercise control and discretion over the organization and operation of the County.
6. Cause reductions in work force for legitimate reasons.
7. Set standards of service to be provided.
8. To formulate, change or modify rules, regulations and procedures provided it is not contrary to the provisions of this Agreement.

ARTICLE 4
GRIEVANCE PROCEDURE

Section 1

A grievance shall be defined as any controversy or dispute arising between the parties involving questions of interpretation or application of the terms and provisions of this Agreement and other conditions of employment. Having a desire to create and maintain labor relations harmony between them, the parties hereto agree that they will promptly attempt to adjust all complaints, disputes, controversies or other grievances arising between them involving questions of interpretation or application of the terms and provisions of this Agreement and other conditions of employment. A class action grievance shall be defined as a dispute which concerns two (2) or more employees within the bargaining unit. Class action grievances may be initially filed at Step 2 of the grievance procedure and the grievance shall contain specific information regarding the alleged violation(s) for the County to review to appropriately respond to the grievance.

Section 2

Thus, should differences or disputes arise between the parties to this Agreement or between the employees covered herein and the County, other than cases of discharge and/or suspension, the aggrieved party to this Agreement or employee, or employees, as the case may be, shall use the following procedures:

- Step 1.** In the event that an employee believes there is a basis for a grievance, said employee and/or a Union representative shall present a formal grievance in writing to the employee's division head within five (5) working days of the date of the occurrence of the event giving rise to the grievance. The formal grievance shall be presented on the

designated form, signed by both the grievant (s) and a representative of the Federation, which shall contain all known facts supporting the alleged grievance and the specific Article(s) and Section(s) which is alleged to be violated. Upon presentation of this written grievance to the division head, and within five (5) working days thereafter, the division head, the employee and the Union's representative shall attempt to resolve the same dispute and, within five (5) working days thereafter, the division head shall render a decision in writing to both the employee and to the Union.

Step 2. In the event the aggrieved employee and/or the Union is not satisfied with the written answer to Step 1 above, the said grievance shall be presented within five (5) working days after the written answer above to the Port Director, or his/her designee, who will, within five (5) working days of the receipt of same, meet with a representative of the Federation in an attempt to resolve the said grievance. At this meeting, the employee and/or the on-site Federation representative may also be present. Within five (5) working days after this meeting, the Port Director or his/her designee shall render a decision in writing.

Step 3. If the grievant is not satisfied with the disposition of the grievance by the Department Director or a designee, or if no disposition has been made within the specified time limit, the grievance may be submitted by the Federation with the consent of the grievant, (or by an individual grievant, but only if the grievant is a non-member and the Federation declines to process the grievance on that basis alone) to arbitration

before an impartial arbitrator, by filing a Request for Arbitration Panel with the Federal Mediation and Conciliation Services (FMCS) within the time-frames outlined in Article 5 ARBITRATION, Section 1.

Section 3

In the event that an employee is discharged and/or suspended by the County, the aggrieved party to this Agreement or employee or employees shall, within five (5) working days of written notice of discharge and/or suspension grieve his/her discharge and/or suspension to the Port Director, or his/her designee who shall, within five (5) working days of the receipt of the same, meet with a representative of the Federation in an attempt to resolve the grievance. At this meeting the employee and/or the on-site Federation representative shall also be present. Within five (5) working days after this meeting, the Port Director shall render his/her decision in writing.

Section 4

With respect to discharge and/or suspension, the County shall notify the affected employee no later than ten (10) working days from the date the County fixes the responsibility for the incident upon which the discharge and/or suspension is based. The County's failure to comply with the ten (10) working day period shall constitute a waiver of its rights to take any disciplinary action against the employee or employees, including, but not limited to, oral reprimand, written reprimand, suspensions or discharges, for the incident.

Section 5

The time limitations provided in this Article shall be strictly observed and shall be extended only by written agreement of the parties. In the event that the County fails to comply with any of the aforesaid time limitations in Steps 1 and 2 of the grievance procedure or Sections 3 and/or 4 of this Article, the grievant may file to the next level in the grievance

procedure, prior to arbitration. In the event that the Federation fails to comply with any of the aforesaid time limitations in Steps 1 and 2 of the grievance procedure or Sections 3 and/or 4 of this Article, the grievance shall be deemed denied and no relief granted. If a grievance meeting is re-scheduled at the request of either of the parties, the time-frames will be automatically extended to allow for re-scheduling of the grievance meeting.

Section 6

Application to this procedure shall foreclose the grievant from appealing to any other available County procedure or vice-versa.

Section 7

Nothing in this Article shall require the Federation to process grievances for employees who are not members of the Federation, in conformity with Florida law.

Section 8

Separations due to reduction in force (layoffs), complaints involving appeals from examination ratings, and classification decisions are not subject to review through this grievance procedure. Performance evaluations shall not be subject to the grievance procedure with the exception of those annual evaluations in which overall performance results in a Quality Point Average (QPA) less than 2.5. However, annual evaluations in which the overall performance rating results in a QPA less than 3.5 may be subject to the grievance procedure only in the event that an employee is in a block-budgeted eligible position and the evaluation impacts the employee's eligibility to be considered for block-budgeting purposes. Such performance evaluation grievances may not proceed to arbitration as provided in this Article.

ARTICLE 5
ARBITRATION

Section 1

In the event any disputes and/or differences, including discharges and suspensions, have been properly processed through the grievance procedure without resolution, the Federation may demand arbitration and this demand, in writing, shall be presented to the Port Director, or his/her designee, within ten (10) working days from the receipt of the decision of the previous step.

The Arbitrator shall be appointed by mutual consideration of the parties. Either party may petition the Federal Mediation and Conciliation Service (FMCS) and request a list of five (5) qualified arbitrators and from said list the parties shall alternately strike and select a single arbitrator to preside as a neutral at the hearing involving the grievance. Such written petition to FMCS must be mailed (certified, return-receipt requested) or sent via facsimile, with a copy simultaneously sent to the other party, within twenty (20) working days after arbitration is demanded.

The decision of said arbitrator shall be final and binding upon both parties. The arbitrator shall not be empowered to alter, amend, add to, or eliminate any provisions of this Collective Bargaining Agreement. The losing party in an arbitration will pay the expenses of the Arbitrator. Each party shall be responsible for any additional expenses (included but not limited to representatives, attorneys, transcripts, witnesses) it chooses to incur.

Section 2

In the event that any employee has been suspended and that suspension is upheld, that employee, upon the expiration of that suspension, shall be fully reinstated to

his or her former position with no loss or impairment of any of his or her rights under this Collective Bargaining Agreement or other rules and regulations of the County.

ARTICLE 6

IMPASSE RESOLUTION

In the event that there is an impasse in negotiations concerning the negotiation of a new collective bargaining agreement or the mutual amendment of an existing collective bargaining agreement, the parties agree that the resolution of any impasse issues shall be governed by the provisions of Florida Statutes Chapter 447, as amended.

ARTICLE 7

ON-SITE REPRESENTATIVE

Section 1

The Federation shall have one (1) on-site representative and one (1) alternate, and shall notify the County of the individuals by mail.

Section 2

The on-site representative will be given up to fifteen (15) minutes with pay to discuss any grievance with a unit member. If a grievance is filed and processed, the on-site representative will be permitted to attend any grievance meeting called by the County without loss of pay.

Section 3

The on-site representative will be permitted two (2) days off per year and the alternate one (1) day off per year without loss of pay to attend an officially sanctioned Federation seminar, meeting or convention.

Section 4

For purposes of reduction in work force, the on-site representative shall be entitled to super seniority.

ARTICLE 8

BULLETIN BOARDS

The County shall provide the Federation with reasonable space and access to existing Port Everglades Department bulletin boards in those Divisions where members of the Federation are employed, and the Federation may erect bulletin boards where none exist. Space designated for the Federation shall not be used for County notices or bulletins. All notices or bulletins of the Federation that are to be posted must be submitted to the Port Director or his/her designee for approval prior to posting with a copy for the County. There shall be no other general distribution or posting by employees of pamphlets, advertising or political matter, notices, or any kind of literature upon County property other than as herein provided. The bulletin boards, authorized by the County for use by the Federation, may be used by the Federation, under terms of this Article, only for the purpose of posting the following notices and announcements:

- A. Notice of Federation meetings and minutes of meetings;
- B. Notices of Federation elections;
- C. Notices of Federation appointments to office;
- D. Notices of Federation recreational, social affairs, benefits, and other Federation activities.

Approval of the above-enumerated notices shall be granted by the Port Director or his/her designee unless the material violates the provisions of this Agreement or is harmful to employee labor relations.

Any document that is posted without prior approval as required in this Article shall be removed and repeated posting of non-approved documents may result in the privilege of such use of the bulletin boards being withdrawn.

ARTICLE 9

PROMOTIONS AND VACANCIES

Section 1

It shall be the policy of Broward County to encourage promotion from within, whenever feasible, consistent with qualified staffing and affirmative action goals. A promotional system will be maintained encompassing merit principles which will recognize County service, including related experience with Port Everglades as a major factor in promotions along with qualifications and work records. It shall be the objective of the County to encourage promotion from within, free of political considerations, nepotism or other forms of favoritism or unlawful discrimination. Promotional appointments shall not be grievable except in cases where the party (s) can substantiate that one of the above considerations resulted in such appointment.

Section 2

There shall also be a probationary period served when an employee is promoted. The term of this period shall be 135 calendar days. Prior to the expiration of this period (135 calendar days), the promotional probationary period may be extended for up to an additional ninety (90) calendar days upon the written request of the Division Director and the approval of the Director of Human Resources. If an employee is removed during the probationary period following a promotion for failure to perform satisfactorily the duties of the higher position, the employee shall be returned to the position held prior to the promotion or to a similar position. Should an appropriate vacancy not exist, the employee shall be restored to the position held prior to the promotion and the provisions governing reduction in force shall apply. A probationary promotional appointment does not affect an employee's earned permanent status and rights in the County system acquired in another position. The

promoted employee retains the right to bring a grievance under any term or condition of employment specified in this Agreement except that no grievance may be filed on the employee's behalf relating to a management decision to return the employee to their former or substantially equivalent position during the first 135 calendar days following promotion. During the probationary period the said employee will be paid the appropriate higher classification wage rate and will continue to receive said wage after completing their probationary period.

ARTICLE 10

WORKING OUT OF CLASS

Section 1

Whenever an employee is requested to perform the tasks of a higher graded position, that employee shall receive the rate of pay of that higher graded position, or five percent (5%) above his/her regular rate of pay, if the rate of pay for the higher graded position is less than five percent (5%) over and above that employee's regular rate of pay and his/her regular position, whichever is greater, for each and every hour worked in any higher grade during that contract year.

Section 2

An employee temporarily assigned to a lower graded position shall be compensated at the rate of pay received in his/her regularly assigned job grade.

ARTICLE 11

SAFETY

Section 1

The County agrees that the Port Director shall establish a Safety Board which shall convene monthly during normal business hours. The County further agrees that one representative from this bargaining unit shall serve on the Board at no loss of pay and/or other fringe benefits. The business of the Board shall consist of periodic review of occupational and safety standards at the Department of Port Everglades and review of all safety complaints made by employees. Any resolution and/or recommended action by the Board shall be directed, in writing, to the Port Director or his/her designee to be acted upon immediately.

Section 2

Employees in classifications/positions where it is warranted, will receive one pair of safety shoes per fiscal year. The County Safety Coordinator will be responsible for deciding what positions receive safety shoes and the Safety Coordinator's decision will be based on the recommendation of the Division Safety Committee representative and the Safety Coordinator's interpretation of OSHA requirements. Management shall determine the type and quality of such shoes.

Those employees designated to receive shoes will be reimbursed one hundred percent of the price of safety shoes up to \$ 100.00 annually.

ARTICLE 12

WORK WEEK

The work week of all employees shall be five (5) consecutive days followed by two (2) consecutive days off, not to exceed forty (40) hours in a seven (7) day period beginning each Sunday at 12:01 A.M. through the following Saturday at 12:00 P.M., exclusive of scheduled unpaid lunch breaks. In the event that there is any change in any of the employee's work schedule, the County shall give notice to both the employee and the Federation, in writing, two (2) weeks prior to any change. When an emergency exists, the two (2) week notice requirement may be waived.

ARTICLE 13

OVERTIME

Section 1

All hours authorized and worked in excess of forty (40) hours in a seven (7) day work period shall be compensated at one and one-half (1½) times the employee's regular rate of pay consistent with the provisions of the Fair Labor Standards Act (FLSA). Additional hours worked under forty (40) hours in a week to make up for time adjustment or other non-worked hours will be paid at straight overtime (not time and a half). There shall be no compensatory time in lieu of overtime pay. Overtime will be paid in fifteen (15) minute increments. The following hours shall be computed as hours worked for the sole purpose of computing eligibility for the overtime rate:

- A. Hours off for workers' compensation;
- B. Sick leave bonus hours;
- C. Call back pay as defined in Section 2, shall only be computed as time worked for determining overtime eligibility, the intent being to help toward making the work week whole, in either of two cases:
 - 1. Where an employee has utilized authorized sick leave during the scheduled work week; or
 - 2. Where an employee receives a time adjustment of up to 2.5 hours per week (for example, the adjustment between the normal work week of 37.5 hours to 40 hours), however, not more than 2.5 hours of call back pay per week shall cause the time adjustment to be considered hours worked.

- D. Holiday pay, as defined in Article 15, shall be computed when the designated holiday is an employee's normally scheduled workday and the employee is given the day off in observance of the holiday;
- E. Annual leave hours shall be computed only when such leave is prescheduled and approved according to the vacation schedule provisions of Article 16; or when annual leave hours are requested and approved prior to the employee's knowledge that overtime has been scheduled during the week the annual leave is requested/approved.
- F. Bereavement Leave Hours;
- G. Jury Duty Leave hours paid;
- H. Emergency Working Condition Hours as described in Section 3 of this Article.

All other hours paid but not worked shall not be computed as hours worked.

Section 2: Call Back Pay

Any employee who is called back to work at a time other than his/her regularly scheduled hours of work/shift shall be granted a minimum of four (4) hours compensation at his/her straight time base rate of pay regardless of time actually worked.

Any employee pre-scheduled to report to work within two (2) hours of regularly scheduled starting time shall be ineligible for call back pay but eligible for compensation for actual hours worked (at the overtime rate of pay, if applicable).

Section 3: Emergency Working Conditions

Due to conditions beyond the control of the Employer, including but not limited to things such as hurricanes, windstorms and tornados, if the County Administrator declares an emergency and directs the County to begin Emergency Operations, bargaining unit members shall be compensated as described below:

- A. Any employee regularly scheduled to work during the declared emergency who is ordered by the Employer's management not to report or to go home prior to the completion of their shift will suffer no loss of pay. Any employee who is on pre-approved sick leave, annual leave or personal day before the declared emergency will suffer no loss of pay and the applicable leave bank shall not be deducted. Such hours paid but not worked will not count as hours worked for computing premium (time and one-half) overtime eligibility.
- B. Any employee who is ordered, or assigned as a result of volunteering, by the Employer's management to work during the declared emergency shall be compensated at double their straight time base hourly rate for all hours actually worked. This compensation is in lieu of any other compensation.

Section 4: Standby

- A. In order to provide coverage for services during off-duty hours, it may be necessary to assign and schedule employees to standby duty. A standby duty assignment authorized by a supervisor requires an employee to be available for work due to an urgent situation on the employee's off-duty time which may include nights, weekends, or holidays. Employees shall be required to be on standby duty when assigned unless excused by supervision.
- B. Employees assigned to standby duty by their supervisor are guaranteed two (2) hours standby duty pay at their straight time base rate for each regular work day of standby duty assigned and scheduled; and three (3) hours pay at their straight time base rate for regular days off, with day defined as a 24 hour time period. Compensated hours of standby referred to in this paragraph shall count as hours worked for the purpose of computing overtime pay as defined

in Article 13, Section 1.

- C. Employees while on standby duty when called to work will, in addition to the standby duty pay provided in Paragraph B above, be paid as follows: For the initial call for each regular work day or regular day off of standby duty, the employee will be paid for actual time worked with a minimum guarantee of two (2) hours pay. For all other calls during standby duty, the employee will be paid for actual time worked. For pay purposes, actual time worked starts at the time of notice, and ends when the employee would reasonably be expected to return to home. The employee is expected to respond to the call in a reasonable amount of time following notice. In the event any employee who is on standby duty fails to respond to a call to work the employee will forfeit the standby duty pay and may be subject to possible disciplinary measures.
- D. Employees will not be assigned and scheduled to standby duty if excused in advance by a supervisor outside the bargaining unit. However, in the event the supervisor cannot schedule the required number of employees for standby duty, then any previously excused employees will be required to serve the necessary standby duty.
- E. Where operationally feasible, standby duty assignments will be made on a weekly basis. Feasibility shall be determined by management.

ARTICLE 14

WAGES AND PAY PLAN

Section 1

The County and the Federation recognize and agree that the wage and pay plan provided in Appendix A-1, shall constitute the official pay plan governing all persons employed in classifications included in this bargaining unit.

Section 2

When an employee is promoted to a position assigned to a higher grade, the amount of the salary increase granted upon promotion shall be seven and one half percent (7.5%) within range or the minimum of the salary range for that new job classification, whichever is greater. However, an employee may receive a promotional increase greater than seven and one half percent (7.5%) consistent with the County's compensation methodology, not to exceed the maximum of the pay grade.

Section 3

When an employee is demoted to a position assigned to a lower grade, the amount of the salary decrease granted upon demotion shall be the highest of: the minimum of the new pay range or seven and one half percent (7.5%) less than the employee's current pay rate, not to exceed the maximum of the new class.

Section 4

A. Fiscal Year 2022/2023

1. Effective 10/1/2022, minimum and maximums of the pay ranges will be extended by 4%..

2. For Fiscal Year 2022/2023, effective on the first full pay period in October of 2022 (October 2, 2022), eligible bargaining unit employees, who on their most recent annual

performance review or other performance-based evaluation program received a rating of “Meets Overall Expectations” or “Exceeds Overall Expectations” will receive a 4% base salary increase (within the salary range). Those current employees recently hired and who have yet to receive their annual performance review for their current position as of October 1, 2022, shall also receive the 4% base salary increase. To be eligible, employees must be employed in a Bargaining Unit position as of October 1, 2022.

3. Eligible employees below the maximum of the pay range, and limited to an increase of less than 4% to their base hourly pay due to the maximum of the pay range, shall receive a one-time, gross lump sum amount equal to the difference between 4% and the percentage increase received (such gross lump sum payments shall be rounded to the nearest dollar).

4. Eligible employees whose base hourly rate is at or above the maximum rate of their pay range as of October 1, 2022, will not be eligible for a base hourly adjustment as provided in Section A.2. above. Those employees will receive a one-time, gross lump sum amount equal to 4% of the employee’s base annual salary.

5. For Fiscal Year 2022/2023, effective on the first full pay period in October of 2022 (October 2, 2022), eligible bargaining unit employees, who on their most recent annual performance review or other performance-based evaluation program received a rating of “Meets Overall Expectations” or “Exceeds Overall Expectations” will receive \$2,000 added to their base annual salary (within the salary range). Eligible employees below the maximum of the pay range, and limited to an increase of less than \$2,000 to their base annual pay due to the maximum of the pay range, shall receive a one-time, gross lump sum amount equal to the difference between \$2,000 and the increase received (such gross lump sum payments shall be rounded to the nearest dollar).

6. All current employees who on their most recent annual performance evaluation received a rating of “Does Not Meet Overall Expectations” will not be eligible to receive the annually determined percentage increase at this time. However, in accordance with County Policy, such employees should be placed on a formal Performance Improvement Plan with a time duration of 90 days and receive a “Special Performance Evaluation”. At the conclusion of the Performance Improvement Plan time frame, those employees with a performance rating that at least “Meets Overall Expectations” will receive the 4% and the \$2,000 base salary increases prospectively.

B. Fiscal Year 2023/2024

1. For Fiscal Year 2023/2024, effective on the first full pay period in October of 2023 (October 1, 2023), eligible bargaining unit employees, who on their most recent annual performance review or other performance-based evaluation program received a rating of “Meets Overall Expectations” or “Exceeds Overall Expectations” will receive a two-and one-half percent (2.5%) base salary increase (within the salary range). Those current employees recently hired and who have yet to receive their annual performance review for their current position as of September 30, 2023, shall also receive the two-and one-half percent (2.5%) base salary increase. To be eligible, employees must be employed in a Bargaining Unit position as of the effective date and be employed by the County as of September 30, 2023.

2. Eligible employees below the maximum of the pay range, and limited to an increase of less than two-and one-half percent (2.5%) to their base hourly pay due to the maximum of the pay range, shall receive a one-time, gross lump sum amount equal to the difference between two-and one-half percent (2.5%) and the percentage increase received (such gross lump sum payments shall be rounded to the nearest dollar).

3. Eligible employees whose base hourly rate is at or above the maximum rate of their pay range as of September 30, 2023, will not be eligible for a base hourly adjustment as provided in Section B.1. above. Those employees will receive a one-time, gross lump sum amount equal to two-and one-half percent (2.5%) of the employee's base annual salary.

4. All current employees who on their most recent annual performance evaluation received a rating of "Does Not Meet Overall Expectations" will not be eligible to receive the annually determined percentage increase at this time. However, in accordance with County Policy, such employees should be placed on a formal Performance Improvement Plan with a time duration of ninety (90) days and receive a "Special Performance Evaluation". At the conclusion of the Performance Improvement Plan time frame, those employees with a performance rating that at least "Meets Overall Expectations" will receive the two-and one-half percent (2.5%) base salary increase prospectively.

C. Fiscal Year 2024/2025

1. For Fiscal Year 2024/2025, either party, upon written request, can reopen Article 14, **Wages and Pay Plan** and three (3) Articles each. Thereafter, this Agreement shall remain in effect, except for any provisions which specifically expire or are date specific, until a successor agreement is approved by the Board of Broward County Commissioners.

D. Notwithstanding the above, in the event that the County agrees to a non-concessionary across the board, salary/wage increase greater than six and one half percent (6.5%) combined over Fiscal Years 2022/2023, 2023/24, 2024/2025, with the White Collar Bargaining Unit, Blue Collar Bargaining Unit, Government Supervisors Association-Professional, and/or Government Supervisors Association-Supervisory Bargaining Units, AFSCME, Local 2200 Bargaining Unit, and/or unrepresented employees, either party may request in writing its desire to meet to explore alternatives to the agreed upon salary/wage

provisions of this Article. Any such request is an informal request that does not trigger the opening of the parties' Collective Bargaining Agreement or the impasse provisions of Chapter 447, Florida Statutes. Further, the request must be received within thirty (30) days of County approval of such salary decrease/increase.

Section 5

In addition to the straight time base hourly rate, effective the first full pay period in October 2006 (October 8, 2006), bargaining unit employees will be paid a shift differential of seventy cents (\$0.70) per hour for hours actually worked on the second shift and one dollar and ten cents (\$1.10) per hour for hours worked on the third shift.

Section 6

Salary Adjustment Authority – The County Administrator has the authority to increase the salary of bargaining unit employees within range of the employee's applicable salary range after the applicable agency advises the Union and offers an opportunity to "meet and confer" about the decision. In the event the Union disagrees with the Administrator's decision, the County may still implement the adjustment and such decision shall not be grievable. The County Administrator also has the authority to adjust the pay grades upward outside of the bargaining process based on a market review conducted by the County. Prior to implementing any pay grade adjustments, the Union will be advised and offered an opportunity to "meet and confer" about the decision. In the event the Union disagrees with the Administrator's decision, the County may still implement the pay grade adjustment and such decision shall not be grievable.

Section 7

HOLIDAYS

Section 1

The following holidays will be observed as holidays for County employees of this bargaining unit:

New Year's Day	Labor Day
Martin Luther King's Birthday	Veteran's Day
Presidents' Day	Thanksgiving Day
Memorial Day	Day After Thanksgiving
Juneteenth	Christmas Day
Independence Day	

Any holiday adopted by the Board of County Commissioners shall be incorporated by reference as a holiday with respect to the employees covered by this Agreement.

Section 2

In the event that any of the aforementioned holidays fall within an employee's regular work week, the employee shall be compensated at his/her regular rate of pay and shall receive the day off.

Section 3

If the observed holiday falls on the employee's regular scheduled day off, the employee will be given holiday pay as defined in Section 6 in addition to the normal scheduled work week at straight time rate of pay; or the employee may elect to have the applicable number of hours of holiday pay added to their annual leave bank in lieu of holiday pay.

An employee required to work on a holiday as described in Section 6 may elect to have the applicable number of hours of holiday pay added to their annual leave bank in lieu of holiday pay.

Section 4

If a holiday(s) falls on a weekend for employees who are regularly scheduled to work Monday through Friday, said employee shall receive the Monday following the weekend or the last working day prior to the holiday to replace that holiday. The County shall designate the day to be taken off in lieu of said holiday.

Section 5

Whenever a holiday listed in this Article falls on a Saturday or Sunday, and the County designates a Friday or Monday as the designated holiday, that designated day will apply to all bargaining unit employees regardless of schedule.

Section 6

Any employee who works on a designated holiday shall receive eight (8) hours holiday pay at the employee's regular rate of pay plus one and one-half (1 1/2) times his regular rate of pay for all hours worked on the holiday.

Section 7

The employee shall not be entitled to pay for any holiday falling during a layoff or unpaid leave of absence. If a holiday falls during an employee's vacation, the employee will be entitled to extend his/her paid vacation by one day for each holiday observed during the vacation provided the employee's supervisor is advised in writing and approves such vacation extension before the employee begins his/her vacation leave.

Section 8

In order to receive holiday pay, an employee must have worked the scheduled shift on the day preceding and the day following the holiday.

Absence from work on the day preceding or following the holiday will not deprive an employee of holiday pay only if due to previously scheduled vacation, death in the

employee's immediate family, illness substantiated by physician's certificate, or job related injuries. However, if an employee is not on approved paid leave and does not work their scheduled shift on the day before and the day after a holiday, he/she will not be paid for the holiday.

Section 9

An employee who fails to work his/her scheduled work day on the holiday forfeits the holiday pay for that holiday unless the employee provides a physician's certificate as to his/her physical condition being incapacitated on the actual day missed. If, however, an employee provides a physician's certificate, the employee shall receive holiday pay plus sick leave pay for that day. An employee who does not provide a physician's certificate and is otherwise eligible to use sick leave, will be compensated for the sick leave only.

Section 10

Employees will be granted sixteen (16) hours paid leave per calendar year to be utilized for personal business. Personal days shall be in the form of Annual Leave, credited to the employee's annual leave accrual balance effective on the first full pay period in January.

Section 11

In the event the Board of County Commissioners for Broward County, Florida designates a paid holiday, other than those listed in Section 1, for employees of other bargaining units, the parties agree that the employees covered by this Agreement will likewise enjoy said holidays, on the same terms and conditions set forth in this article.

ARTICLE 16
ANNUAL LEAVE

Section 1: General

Annual leave may be requested for personal or emergency reasons or for vacation. Vacations are for the purpose of rejuvenating both physical and mental faculties and all employees are urged to avail themselves of vacation periods. No employee shall receive pay in lieu of annual leave unless recommendation is made by the Division Director and specific approval is given by the Port Director, and such payment is in accord with the provisions of this collective bargaining Agreement.

Five (5) through nine (9) years	One hundred twenty (120) hours

An employee's annual leave pay will be based on the employee's bi-weekly pay rate in effect at the end of the pay roll period completed just prior to the beginning of annual leave.

Section 3: Requests for Leave

A request for annual leave shall be submitted to the employee's immediate supervisor through the County's time and attendance system. Leave may be taken only

after approved by the employee's division director so that the department/division can function smoothly and efficiently. Annual leave will be granted, when practicable, in line of department/division seniority and in accordance with employee preference, but it is understood that the efficient operation of the Department shall be the first consideration.

Leave may only be used as earned and annual leave with pay shall not be allowed in advance of being earned. If an employee has insufficient leave credits to cover a period of absence, no allowance for leave shall be granted in advance or in anticipation of future leave credits. In such cases, payroll deductions for the time lost shall be made for the period during which the absence occurred.

Employees may request annual leave upon employment with the County pursuant to the accrual rate set forth in this agreement

In the event that an employee's scheduled annual leave must be canceled due to operational needs of the Department, the employee shall be given at least thirty (30) days' notice, except in the case of emergencies.

Employees must submit a written request for annual leave dates prior to March 1 of each calendar year on a form that will be distributed to all employees no later than January 2 of each calendar year. Once approved, any changes in an employee's annual leave schedule must be approved by his/her division director. No such change shall be unreasonably denied.

The maximum annual leave that may be carried over from one calendar year to the next shall not exceed a total of 280 hours accrued leave. The date for computation of excess leave for each year shall be the end of the last pay period in December.

It is the intent of this Agreement that employees take their annual leave yearly for the period in which it was earned. Employees carrying excess annual leave should be given the opportunity to use the excess leave. Any deviation from the authorized maximum accumulation must be documented and must be approved by the County Administrator.

If for extraordinary circumstances, an employee is unable to use sufficient accrued annual leave to reduce his/her annual leave balance to below the maximum level by the last pay period in December of any calendar year, the County Administrator may allow the

employee to take the excess annual leave by March 31 of the following calendar year. In such cases, excess leave not used by March 31 shall be forfeited.

Section 7: Payment of Unused Annual Leave Upon Separation

When an employee is separated in good standing from service with the County, he/she shall be paid for all accrued and unused annual leave on a one hour pay for each hour accrued leave basis.

Employees covered by the Agreement will have the right to union representation through all stages of the procedures defined in this Article. However, in no event will the test be delayed by more than two (2) hours.

Section 2

The County may require any employee to submit to a blood and/or urine analysis when it has a reasonable belief that an employee is impaired in the performance of their duties because the employee is under the influence of alcohol, drugs or narcotics. To permit testing, the County must have reasonable belief based upon the observations of two (2) or more supervisors, if possible, establishing reasonable belief to believe that an employee is impaired by illegal drugs or alcohol. The employee shall be provided, upon request, with a separate container for a portion of the sample which is collected.

Section 3

Random substance tests will be strictly prohibited except as provided in Section 5 and 7 below.

Section 4

All tests shall be conducted in a reputable hospital or laboratory selected by the County. The laboratory must follow guidelines for procedures and standards as established by Health & Human Services (HHS) and the National Institute of Drug Abuse (NIDA) at a minimum. There shall be a two-step initial screening process run concurrently, *i.e.*, consisting of TLD (Thin Layer Chromatography) and EMOT (Enzyme Multiplied Immunoassay Technique). The confirmation step of all samples testing positive during initial screening shall consist of a GC/MS (Gas Chromatography/Mass Spectrometry) test.

Section 5

- A. At the conclusion of the drug and/or alcohol testing, the County may discipline an employee subject to the just cause standard of this Agreement. However, in the case of an employee who has not previously tested positive and/or acknowledges a substance abuse problem, and except in cases involving

moderate or major property damage, personal injury or gross misconduct by the employee, the employee shall be permitted to enter a County approved chemical dependency program.

- B.** Upon successful completion of rehabilitation (as determined by the County physician) the employee shall be returned to their regular duty assignment or the equivalent thereof. If follow-up care is prescribed after treatment, such may be imposed by the County as a condition of continued employment. Moreover, the parties agree that entry into such a chemical dependency program shall be deemed to constitute reasonable belief that the employee is under the influence of or using drugs, narcotics, or alcohol, and that, accordingly, the employee may be subject to unlimited drug and/or alcohol testing procedures as outlined in Section 4 of this Article as required by management for a period not to exceed one (1) year from the date that the employee successfully completes the prescribed treatment plan. Should an employee refuse to submit to drug or alcohol testing in accordance with the provisions of this Section, to voluntarily enter a County approved chemical dependency program, to successfully complete or to otherwise comply with the requirements of such program, to comply with the requirements of any follow-up care, or should the employee test positive for drugs, narcotics or alcohol during the aforesaid one (1) year period, the employee shall be immediately dismissed.

Section 6

An employee's refusal to submit to drug or alcohol testing in accordance with the provisions of this Article may result in disciplinary action being taken against the employee up to and including dismissal subject to the just cause standard of this Agreement.

Section 7

- A.** An employee will be allowed to voluntarily enter a County approved chemical dependency program, assuming that the employee has had no history of substance influence or use. Should the employee be shown to have a history of substance influence or use, during his/her employment with the County, the County will be under no obligation to offer a second chance to enter a County-approved chemical dependency program. However, nothing herein shall be construed to prevent the County from offering a second chance to enter a County-approved chemical dependency program, should the County deem it warranted. This does not preclude the County from taking any disciplinary action for any infraction other than the chemical dependency for which the employee is seeking assistance.
- B.** Upon successful completion of rehabilitation (as determined by the County physician) the employee shall be returned to their regular duty assignment or the equivalent thereof. If follow-up care is prescribed after treatment, such may be imposed by the County as a condition of continued employment. Moreover, the parties agree that entry into such a chemical dependency program shall be deemed to constitute reasonable belief that the employee is under the influence of or using drugs, narcotics, or alcohol, and that, accordingly, the employee may be subject to unlimited drug and/or alcohol

testing procedures as outlined in Section 4 of this Article as required by management for a period not to exceed one (1) year from the date that the employee successfully completes the prescribed treatment plan. Should an employee refuse to submit to drug or alcohol testing in accordance with the provisions of this Section, to voluntarily enter a County approved chemical dependency program, to successfully complete or to otherwise comply with the requirements of such program, to comply with the requirements of any follow-up care, or should the employee test positive for drugs, narcotics or alcohol during the aforesaid one (1) year period, the employee shall be immediately dismissed.

- C. Two (2) years after treatment is completed, the records of such treatment and positive drug test results shall be retired to a closed medical record. Retired records shall not be used against the employee for the purposes of progressive discipline, but may be used to show that the employee has a history of substance influence or use during his/her employment with the County.

Section 8

The Union, upon request, shall have the right to observe any aspect of the drug testing program, with the exception of individual test results. The Union may inspect individual test results only if the release of such information is authorized by the employee involved.

Section 9

NO WAIVER OF LEGAL RIGHTS: The Employer and the Union agree that this program shall not diminish the rights of individual employees under State and/or Federal laws relating to drug and/or alcohol testing.

ARTICLE 31

EDUCATIONAL REIMBURSEMENTS/LEAVE

Section 1

Employees covered by this Agreement may participate in the County's Employee Educational Benefits Program as established by Section 26-3 of the Broward County Code of Ordinances. The eligibility requirements and the amount, type and condition precedent to obtaining reimbursement, will be established by the County.

Section 2

To improve the quality of personal service rendered to the public and to aid employees in equipping themselves for advancement, any permanent full-time employee may request Educational Leave for the purpose of taking occupationally related courses or training. The following procedures shall apply:

- A.** The immediate supervisor shall determine the feasibility of excusing the employee from work by examining the work schedule and arranging for adequate coverage and/or redistribution of work assignments during the employee's absence.
- B.** The Division Director or designated Section Head shall then determine whether the courses or training are occupationally related and whether leave shall be granted with full pay subject to review by the Human Resources Director, if denied.
- C.** Request for educational leave must have final approval in advance by the Human Resources Director and shall not exceed a total of twenty (20) working days or one hundred sixty (160) work hours in any one (1) calendar year per employee, except as may be approved by the County Administrator.

- D.** An employee will be advised as whether his/her request is approved or denied within thirty (30) calendar days of the date on which the employee's written request is received by the Human Resources Division. Such requests shall not be unreasonably denied.

ARTICLE 32

- B.** The damage occurred during the employee's working hours.
- C.** The damage was caused by an object, piece of equipment, material or another employee where all persons involved were legitimately carrying out the duties of their jobs.
- D.** The employee was wearing protective equipment where prescribed for a given job.

Section 3

The County will not reimburse the employee if:

- A.** During lunch, break and refreshment period.
- B.** While breaking normal rules of conduct expected in a business environment or violating safety rules.

Section 4

The claim must be presented on a prescribed form to the Director of Administration at Port Everglades. The form must be approved by the employee's supervisor and

department head and submitted within two (2) working days after damage occurs. A witness to the accident should be included whenever possible.

Section 5

The County reserves the right to require documented proof of loss, including proof of ownership, and to conduct investigations of any claim made against the County under the terms and conditions of this Article.

Fraudulent claims made by an employee(s) shall constitute just cause for disciplinary action up to and including termination of employment.

ARTICLE 33

POLITICAL ACTIVITY

There shall be no restrictions placed on employees with regard to political activity. Employees may hold membership in or support any political party, run for political office, vote as they choose, express their opinions and wishes on political issues and candidates, maintain partisan neutrality and attend political functions as long as these activities do not take place during the employees working hours.

RE: Letter of Understanding – Furloughs for FY 10/11 for Port Supervisory and Non-Supervisory Units

Dear Mr. Reynolds:

The purpose of this letter is to document our mutual understanding and agreement between the County and the Federation of Public Employees regarding the implementation of the furlough program for Port Supervisory and Non-Supervisory employees.

As part of the tentative one (1) year agreements, the parties have agreed that the Port Supervisory and Non-Supervisory employees shall observe five (5) unpaid furlough days for FY2010/11. See the attached Furlough Program Summary for FY2011 for specific information. Due to the operational nature of the Port, it is understood and acknowledged that some employees may have to observe alternate furlough days.

Further, in the event that employees at the Aviation Department and/or Water and Wastewater Services do not participate in the Furlough Program for FY2010/11, then employees in the Port Supervisory and Non-Supervisory bargaining units will not be required to participate in the Furlough Program for FY2010/2011. This provision shall not apply if either the Aviation Department or Water and Wastewater Services provide cost savings in lieu of serving furlough days as approved by the County Administrator.

Should the content of this letter accurately reflect our mutual understanding and intent of our agreement, please indicate your concurrence by signing below and returning to my attention.

Sincerely,

**RE: Letter of Understanding – Cost Savings to Offset Unpaid Furloughs
Port Supervisory and Non-Supervisory Units**

Dear Mr. Reynolds:

The purpose of this letter is to document our mutual understanding of an agreement between the County and the Federation of Public Employees – Port Supervisory and Non-Supervisory Unions, to afford an opportunity to the Federation to present to the County identified cost savings realized from contract provisions and/or process improvements in order to offset unpaid furloughs for FY 2010/2011. Such savings must be recurring, documented and approved by the County Administrator.

On or before February 7, 2011, the Federation may provide the County with a list of contractual provisions and/or process improvements, along with documentation justifying the amount of estimated savings. The County agrees to consider any and all information provided. In addition, the County also agrees to meet with the Federation in the form of a focus group, and discuss the ideas presented and possible implementation upon approval by the County Administrator. However, such discussions are not subject to negotiations or the statutory impasse procedures.

Should the content of this letter accurately reflect our mutual understanding and intent of our agreement, please indicate your concurrence by signing below and returning to my attention.

Furlough Program Summary – Fiscal Year 2011

As with the prior Fiscal Year, five Furlough days have been scheduled during Fiscal Year 2011; four of which coincide with County observed holidays, the fifth will be on President's Day which the County does not observe as a holiday, but is a national holiday that many other governments observe. With the exception of mission critical required services, County operations and services will be closed on the following furlough days.

1. Friday, January 14, 2011 (Friday before the Monday, Martin Luther King, Jr. holiday);
2. Monday, February 21, 2011 (President's Day);
3. Friday, May 27, 2011 (Friday before the Monday, Memorial Day holiday);
4. Friday, July 1, 2011 (Friday before the Monday, Independence Day holiday); and
5. Friday, September 2, 2011 (Friday before the Monday, Labor Day holiday)

All regular benefit eligible staff (Salaried and Hourly) under the County Administrator will participate in the furloughs. Only non-benefit eligible Temporary, Part-Time 19, Seasonal and Will-Call staff will not participate. Agencies with such staff will schedule these employees accordingly.

Furlough hours will be prorated to the employee's regular scheduled hours (i.e. Full-Time - 8 hours per furlough day; Part-Time 20 - 4 hours per furlough day; those employees on a 4/10 work schedule would serve four 10-hour furlough days unless their work schedule is changed to a five 8-hour day schedule during the furlough week).

Consistent with the provisions of the Fair Labor Standards Act (FLSA), salaried (FLSA-Exempt) employees lose their salary basis during the workweek in which a budget-related furlough occurs. As such, "salaried" employees become "hourly" during the furlough workweek and must be paid for all hours actually worked. Salaried staff will be accordingly advised that they are not to work beyond 30 hours during the furlough workweek, and will be required to sign documents acknowledging their understanding of the same. This work restriction includes no cell phone, e-mail or working from an alternate location during their off duty hours. The only exception would be an Emergency Call-out for a staff member that is authorized by the supervisory authority. If such call-out results in the individual working more than 30 hours in the furlough week, the County would be obligated to pay the individual for each additional hour worked.

For 24/7 mission critical operations and required services, to accommodate agency specific scheduling needs and avoid overtime, staff who are scheduled and must report to work on a designated furlough day and/or a holiday will forfeit their holiday pay (which will be counted as a furlough day) or be assigned an alternate furlough day as necessary.

RE: Letter of Understanding – Health Insurance for Calendar Year 2013

Dear Mr. Reynolds:

The purpose of this letter is to document our mutual understanding and agreement between Broward County ("County") and the Federation of Public Employees ("FoPE" or "Union"), Supervisory Unit, regarding health insurance for Calendar Year 2013. While the Collective Bargaining Agreement for FY 2011/2012 expired on September 30, 2012, this letter addresses health insurance from January 1, 2013 through December 31, 2013 due to the fact that the County's health insurance plan is based on calendar years.

As part of the tentative agreement for the Collective Bargaining Agreement, the parties have agreed that employees covered by the FoPE Supervisory Bargaining Agreement shall be held harmless from any increases to health insurance premiums as well as any reductions in the level of insurance benefits for Calendar Year 2013. This means that employees shall pay no greater employee premium contribution than they paid for the same plan option and tier of coverage selected in Calendar Year 2012 and all plan benefits, including the level of benefits offered, shall be the same as Calendar Year 2012. The County further agrees to continue to offer Consumer Driven Health ("CDH") high, low and out-of-network plan options.

Should the content of this letter accurately reflect our mutual understanding and agreement, please indicate your concurrence by signing below and returning to my attention.

RE: Letter of Understanding – Federation of Public Employees – Supervisory Unit
EasyPay (Time and Attendance, Pay Card Program and Enterprise Resource Project)

Dear Mr. Reynolds:

The purpose of this letter is to document our mutual understanding of an agreement between the County and the Union regarding an electronic time and attendance program, payroll distribution program and Enterprise Resource Project (ERP). Collectively, these three programs are called **EasyPay**. The **EasyPay** program will apply to County employees, with the significant changes to include: (1) the replacement of manual payroll checks with direct deposit and pay cards as well as replacing check stubs and direct deposit paper slips with on-line pay stubs; (2) a fully automated time keeping system; and (3) the replacement of the County's existing Payroll/Human Resource system.

- (1) **Replacement of manual payroll checks** – The parties agree that bargaining unit employees will be paid through direct deposit with their identified banking institution. If the employee does not have a banking institution, the employee will receive a pay card and their earned wages will be uploaded to that pay card every pay period. In either event, paper pay stubs will be replaced with on-line pay stubs. These changes are anticipated to be implemented in early 2013.
- (2) **Automated Time Keeping System** – The parties agree that the County and Union have met and reviewed the new time keeping system and have validated the pay and work rules that will be programmed into the new automated time keeping system. Those rules are intended to be the parties' implementation of the collective bargaining agreement provisions and are detailed in the attachment to this letter dated November 15, 2012. If there is a conflict between the attachment dated November 15, 2012 and the collective bargaining agreement, then the bargaining agreement shall prevail. The new automated time keeping system is anticipated to be implemented on or before October 2013.
- (3) **Replacement of County existing Payroll/Human Resource System** – The County is currently exploring an Enterprise Resource Planning system that would include a new Payroll/Human Resources System. The parties agree to meet and discuss the ERP, in the event that the County contemplates said system.

RE: Letter of Understanding - Job Classification and Pay Study

Dear Mr. Reynolds:

The purpose of this letter is to document the mutual understanding of the agreement between Broward County (County) and the Federation of Public Employees, Port Supervisory Unit regarding implementation of the results of the Job Classification and Pay Study of the County conducted in 2014 by the Management Advisory Group (MAG).

As you are aware, Broward County employees, including members of the Port Non-Supervisory bargaining unit, were asked to complete Job Analysis Questionnaires (JAQ) detailing the knowledge, skills, abilities, and other job-related information necessary to perform the functions of their position with the County. MAG was tasked with analyzing the information obtained through the JAQ process, conducting relative market surveys of benchmarked classifications, and performing comparative analysis of the data in the context of the County's current classification and pay plan. At the conclusion of the project, MAG will provide County Administration with recommendations which may modify the existing position classification and compensation plans and policies to more accurately align with the competitive markets. MAG will also recommend an implementation and maintenance strategy.

Upon receipt of MAG's final recommendations of the Job Classification and Pay Study, the County will meet and confer with the Union for the purpose of sharing the results and recommendations which may be implemented by the County. During this meeting, the Union is encouraged to make recommendations, however, in the event the Union disagrees with the implementation of the Job Classification and Pay Study, the County Administrator may still implement any or all of the recommendations at the County's discretion and such decisions shall not be grievable.

Further, the County acknowledges that no employee of any bargaining unit will suffer a reduction in their existing pay rate as a consequence of implementation.

If the content of this letter accurately reflects our mutual understanding agreement, please indicate by signing below and return it to my attention.

The parties agree that the County and the Union will partner in the implementation and in the areas of education and training for employees on the various components comprising the ERP and HCM.
