

ADDITIONS TO 2010 LEGISLATIVE PROGRAM

Local Bills

Lauderhill Annexation

Annexation bill to extend and enlarging the corporate limits of the City of Lauderhill to include specified unincorporated lands within the City of Lauderhill. (Added January 26, 2010)

Broward County Inspector General

Establishes a Broward County Office of Inspector General to detect misconduct involving abuse, corruption, fraud, or violation of codes of ethics, ordinances, state or federal statutes, or state or federal constitutions and having the power and responsibility to investigate elected and appointed officials and employees of local governments including the school board and special districts, all agencies, contractors, and other parties doing business with local governments and/or receiving local government funds. (Added January 26, 2010)

Legislative Proposals

Oppose SB 1216

Oppose legislation regarding Children's Services Council's membership and requiring county governing bodies to approve the purchase of real estate, specifying that county governing body approve a council's budget, and periodically take public testimony and vote to retain or dissolve a council. (Added January 26, 2010)

Support Recycling for Commercial Establishments

Support removing the exemption that prohibits local government 403.7046(3) from requiring commercial establishments that generate source-separated recovered materials to convey such materials to the local government or to a facility designated by the local government for recycling. (Added February 9, 2010)
