

Central County Comprehensive Plan Workshop Update

- What is the BMSD Comprehensive Plan?
- Learn about the progress of capital improvement projects, current investments, and municipal services.

What is the BMSD Comprehensive Plan?

- A Plan that identifies the **principles** and **strategies** for the **balanced** future economic, social, environmental, and physical **development** of the BMSD.
 - It reflects the **community's vision** and the local **government's commitment** to implement the plan.
 - The principles and strategies **guide future decisions** in a consistent manner and contain activities to ensure the Comprehensive Plan is implemented.
-

COMPREHENSIVE PLANNING PROCESS

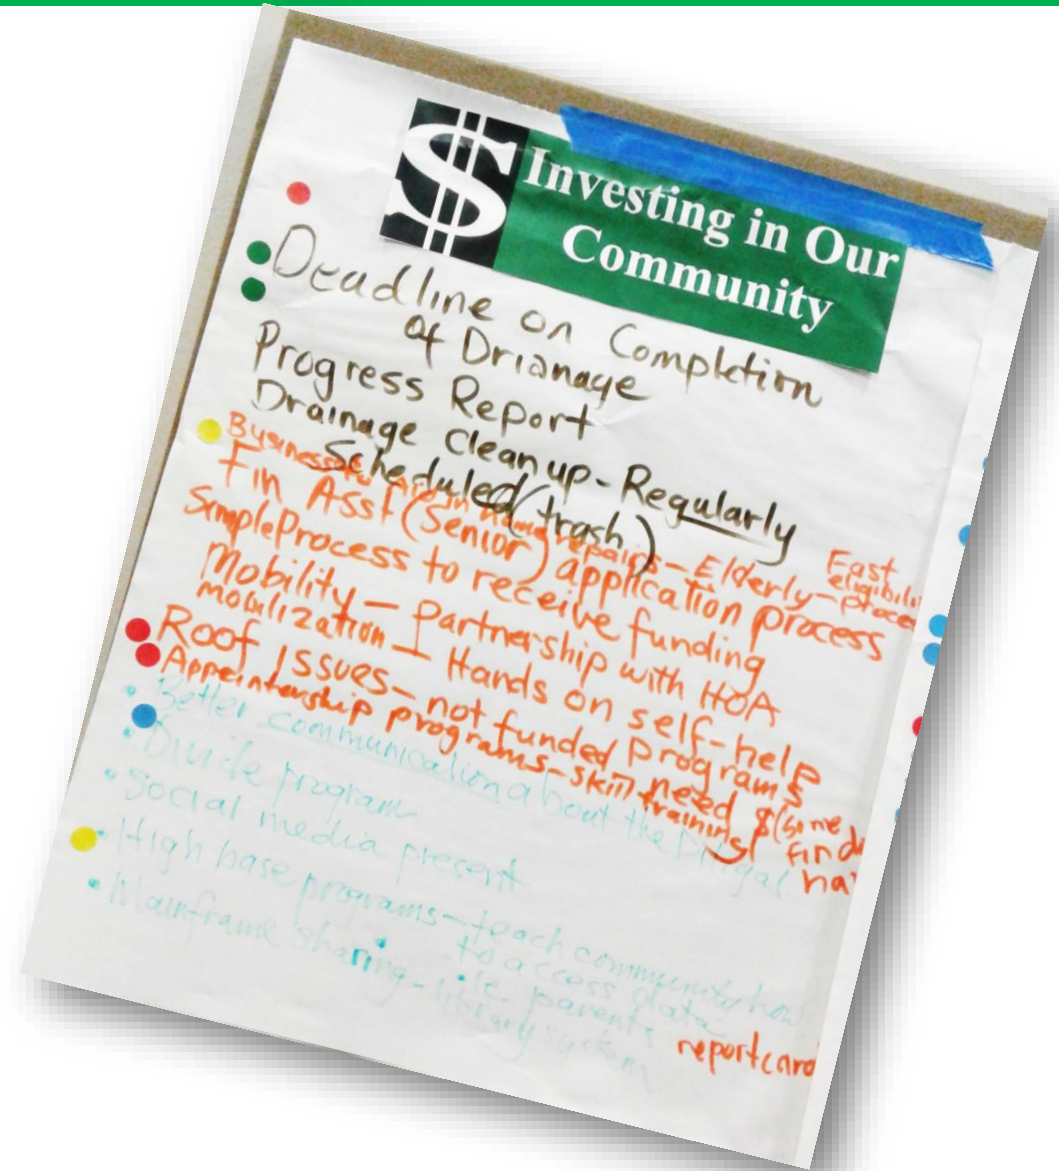

Managing the BMSD - PRIORITIES

- Promote resident participation in the economy
- Small business assistance, particularly to bridge the digital divide
- Promote businesses ownership by residents
- Reflect local demographics in employment opportunity selection
- Provide incentives to local businesses

\$ Investing in Our Community - PRIORITIES

- Training programs for Youth, Job Access, Elderly: digital, self help, job skills, business ownership
- Repair old homes and provide maintenance assistance programs
- Complete, improve and maintain drains and local drainage system
- Assistance with local planting and gardening

Promoting Safe Streets - PRIORITIES

- Slow down traffic; prioritize the implementation of speed humps
- Look at promoting solar lighting
- Increase street lighting on NW 27th and Sistrunk near the cemetery
- Improve street drainage
- More BSO presence

Building Healthy & Vibrant Places

PRIORITIES

- Promote/establish local farmers market to encourage healthy eating.
- Healthy food events; "healthy food" trucks
- Increase visibility of the community garden, create programs for kids and promote volunteering
- Plan improvements block by block
- Allow local contractors to qualify for CBE; qualified Black contractors.
- Ensure that contractors and employees are "qualified" and not delinquents
- Help improve education and literacy
- Update community parks
- More streetscaping and landscaping

Enhancing a Safe Community - PRIORITIES

- Increase security: Crime Watch, Neighborhood Policing; eliminate block parties
- Improve relationship with BSO: better communication, neighborhood policing, increase patrolling & availability
- Increase Youth Programs and job training
- Remove boarded up houses & improve gateways
