Percent of work stations and servers updated	100	100	100	
Number of Continuity of Operations Planning plans tested	31	5	60	
Average staff hours per plan review	8	10	8	

Notes

- 1 The County implemented a new customer satisfaction survey in FY2008 in order to collect more actionable information. Ratings are on a scale of 5.0 (highest) to 1.0 (lowest). Prior year performance and current targets are shown as "N/A" because the survey questions and calculation methodology have changed.
- 2 Measure will be reported annually.
