SUBJECT: Five Day Notice – CBE goal waiver or less than 25% CBE goal (January 2025)

On December 10, 2024, the County Commission approved agenda item #84 amending various sections of Chapter 1 of the Broward County Code of Ordinances. This five-day notice is in compliance with Section 1-81.3(c) of the Broward County Business Opportunity Act that requires that OESBD provides written notice to the Board of County Commissioners as follows:

Section 1-81.3(c) of the Broward County Business Opportunity Act:

(c) Waiver or Modification of CBE Goal. The Board may waive the application of, or may modify, any CBE goal at any time. In addition, any CBE goal, including for CBE reserve and SBE reserve contracts, may be waived or modified upon written recommendation by OESBD pursuant to this section if no County Commissioner objects within five (5) business days after receiving written notice from the OESBD of the proposed waiver or modification. If a County Commissioner timely objects to the proposed waiver or modification of a CBE goal, the proposed waiver or modification of the CBE goal for that contract or competitive solicitation will require Board approval. The written recommendation by OESBD must include a determination of at least one (1) of the following:

- (1) With regard to no CBE goal being set:
 - a. There are fewer than two (2) certified CBEs available to participate in a specific project; or*
 - b. There is no material work related to the contract that can be performed by a CBE; or**
- (2) There are other documented compelling reasons to assign a lower CBE goal to the particular County Contract, which reasons are stated in the written recommendation; or*
- (3) There is no competitive solicitation associated with the contract.*

Therefore, please find below the recommendations from OESBD of the proposed CBE goal waivers or recommendations for less than 25% CBE goal with their respective determinations for reviews completed in the last 12 months.

If there are any pulls, comments, or questions, please reply to this email address OESBDAdmin@broward.org within five business days.
